

## Ing Westad Newsletter | January 2026

### Thank You for a Great 2025!

We appreciate all our customers for a fantastic year full of exciting projects, deliveries, and collaborations. The Ing Westad team is already off to a strong start in 2026 with more global shipments, client visits, trainings, and new product developments.

As a family-owned company, our focus remains clear:

**high-quality valves, actuators and spares, fast delivery, and reliable service**—tailored to your needs.

## Fast Delivery from Stock

Our warehouse in Norway keeps a wide range of standard valves, actuators, service kits, and spare parts **ready to ship within 24 hours**.

For larger quantities, we recommend early contact to secure optimal delivery times and avoid manufacturing delays.
